Tom, Lynn, Amanda & family,

I am so sorry to hear about Matt. I know how devastated your entire family must be. Although Matt was younger than Ryan and Chris, I remember those times we shared with the Ruels in Vermont. May God give you comfort knowing all that you shared with this wonderful guy.

So shocked to see the sad news in today's paper. I only knew Matt as a youngster from church and some family functions but I do remember him fondly. My deepest condolences to you Lynn and Tom on your heartbreaking loss. May his memory be eternal.

At some point either you, Chris or myself figured it would be a good idea to go see just how fast that baby blue M3 would go and ended up finding out how fast it would stop instead. I hope you have peace now. I will remember you smiling and make everyone else smile as well. I'll see you later.

Matt and I went to middle and high school together, we would butt heads sometimes but he could always make me life. We lost touch after high school, but from what I have heard he continued to be that fun loving person. My love and prayers go out to his entire family, especially his children. RIP Matt you will be truely missed

As a former Fire Commissioner I had the pleasure of working with Matt when he served in the NBFD ASO position. He well served that position! He brought many smiles to my face.
My heartfelt sympathy to his family. Holding all of you in prayer.
