“ David S Gifford was a wonderful friend. We (Brian and Jo Topolski) have known David for many years, having met at an airshow. We have shared many happy times with Dave over the years and will miss our regular chats, visits and adventures with this exceptional human being. Rest in peace, David. You're God's co-pilot now.

“ David Gifford was my fraternity brother. He was always supportive and he enthusiastically supported the many outreach projects of the fraternity. Eternally curious, he was always reading and experimenting with new projects on his beloved computer.

I am sorry I can't be at the memorial. He was a good man and a great brother.

“ I first met David many years ago at a New England air show and we remained “Air Show Buds” from that day forward. His unending zest and zeal for life was inspiring. He never let his age slow him down. David made the world a better place and I felt honored to be counted among his friends. David was a kind and gentle soul, a true gentleman. Rest in peace my friend. We will miss you.

“ David was a wonderful gentleman. I first met him at an air show in Maine probably about 20 years ago. Knowing he drove from Connecticut to Maine for an air show I could tell he was an aviation fanatic like myself, only he had a 40 year head start. Since that day I've had the privilege of his company on a few air show road trips that I will always cherish.

Dave was such a good friend to me, I will never forget his kindness.
