“ Enza lived as if she knew this time would come one day. I enjoyed her spirit each time we met up at her biz. She took over the whole restaurant with love and tenderness and all the clients felt it. When someone has a soul that's bigger than a building, you're sure everyone knows it. Her intimate concern for people is the thing I'll take with me until we meet again.

“ We feel so lucky to have had Enza as a friend. Every time we saw her she filled the room with her smile. Always a giant hug and a welcoming soul. She helped to make a difficult voyage easier to deal with. We will miss her! So grateful she brought Emanuela into our lives. It is said that there is a reason you cross paths with certain people. Enza will not be forgotten!  
Rest easy sweet friend.

“ My sweet Enzaleena, I'm so sorry that I never got to speak with you for at least one more time. We're both two tough, stubborn Sicilian women, but I always had hope we'd talk once again. Our friendship was very special, and you were like the sister I never had. We had such good times, laughing and joking around, driving in your car, going to Walmart with little Steven, playing dress up at the mall, going out to eat, eating in your kitchen. You were there in a very emotional, crazy time in my life when I didn't know if I was going to live with my horrible disease, and you made it bearable. I had no right to judge you in the end of our friendship, and I'm so sorry for that - I hope you can forgive me. I was hoping you'd respond to me on Facebook, but I know you were still upset with me. I know that there's a reason you were taken so quickly, but I still can't accept it. It's just not fair. Maybe God needed his little Italian angel Enzaleena. We will see each other again, I know that for sure. You are in my heart, and you will never leave my heart. I love you my Enzaleena.

“ Enza, what can i say? You definitely lost your life too early. We may not have been the best of friends but i did care about you and just wanted you to know you are beautiful in many ways. We may not have agreed on may things. But all that doesn't compete with all the bad. Because the good always won over each and every time. I'm sorry we never by ot to get back to how we were. I had some much love for you and little Steven. I was also happy to think Joe as found his one true match. I send my condolences to him aand the rest of the f amily. As for Joseph (husband) i really can't imagine your pain. We may not jave had the best pf terms but enza always found a way for us to get along. She definitely was a good peace maker and protector of me.lol always protecting me from her evil swamp man. Lol i never meant to cause riffs about them. You definitely are an angel god has received. I send you my prayers. To you and your big family.
