“ My PaPa, my Grandpapa, my dad, one of the most important men in my life, THANK YOU for Loving me so deeply and giving me so many wonderful memories. I miss you so much already it feels like just a dream that you're gone. No one has ever made me laugh like you or feel loved like you as your arms were always open to me. You will be forever missed but I'm grateful that you are in a place where your body can no longer fail you and you are running with the angels. I love you. Till we meet again!
