

George J. Synnott

October 23, 1945 - July 20, 2019

George J. Synnott, of Kensington, beloved husband of Carol (Godzyk) Synnott, passed away Saturday (July 20, 2019) at Hartford Hospital after a courageous battle with cancer. George was born in Waterbury, son of the late Finton and Nella (Zukauskas) Synnott. George is survived by his children Kaitlyn and Timothy Synnott of Kensington, Joyce Synnott (Bryan Brandow), Kim Donahue (Shane Donahue), and Jill Synnott (Todd Gerardi) of California, 6 grandchildren, his sister Veronica Santo (James Santo) and his mother-in-law, Ann Godzyk.

George graduated from Mt. Saint Mary's University (Maryland) where he was a pitcher on the college baseball team and earned advanced degrees at Central Connecticut State University. He was a teacher at St. Paul High School and served as a passionate baseball coach, leading the St. Paul's team to win the state title in 1971 & 1974. He coached the Bristol American Legion team and led them to the state, regional and national tournaments in 1974. He later became a history teacher, assistant principal and principal of Berlin High School where he respected and appreciated all teachers, staff and students. Upon his retirement, he became the Director of CIAC Unified Sports—Special Olympics Connecticut, a position and organization that made him very proud. This past June he was honored when CIAC Unified Sports designated the annual coach's recognition as the George Synnott Coach of the Year Award. George believed in Robert Kennedy's philosophy, "The purpose of life is to contribute in some way to making things better." The family would like to thank the caring staff at Hartford Hospital Floor CB2 for their dedicated care during this difficult time.

“ Coach Synnott,
There are a number of your former Baseball players, and Bristol American Legion Alumni, who will always remember you as a GREAT Coach who taught us about Baseball but more importantly taught us life lessons that made us better people. The moments we shared in the past few years on the Unified Sports fields, and the tremendous work that you did to make that organization thrive, is a memory that I will truly cherish. George "Coach" Synnott succeeded in life. He made all of us better people. He will be truly missed but never forgotten.
Rest in Peace my friend.

“ CIAC's Unified Sports has lost their tremendous leader and a truly wonderful person. The thing I will always remember the most is when George came to me with an idea for having his Unified Basketball players participate in the finals at the Mohegan Sun during the CIAC Basketball Finals. Having the opportunity to see him smile and help him fulfill this vision and be a small part in seeing his dream come true was a blessing for me. Thanks for being a caring mentor to many. “ Mr. Synnott was like the Johnny Carson of St. Paul CHS. Kept us laughing, engaged, with a terrific teaching style, and rarely taking anything too seriously. I had no u.s his reputation in baseball before St. Paul and American Legion. He really made a mark in many ways.
Sympathies to the Synnott family and friends, colleagues, and his many students everywhere.

“ To the Synnott Family,
My deepest condolences go out to your family. George supported me with every new activity I proposed. He was inspiring in the fact that his support did not come with fear or hesitation, but confidence and encouragement. He was an outstanding principal. My favorite memory is when I found out that the father of a little 2nd-grade girl I sprinted to the nurse's office to get a wound over her eye cleaned out ended up being the principal's daughter of the school I was applying to!! He handled everything with a grain of salt. George was a special man. Jim Arnold
