“ I worked with Linda at the MDC and attended her wedding to Mark. Linda was a very generous, loving woman and she went out of her way to help others, both in business and in her personal life. I am so sorry for your loss.

“ Linda always had a heart of gold and put the needs of everyone else first. She cherished her family and friends and any cat that came across her path. The world is not the same without her. Peace and love to Robert, Kimberly and families.

“ To Linda's family, I met Linda in the waiting room at our mutual oncologist's office several years ago. We shared lengthy emails and would sit through each other's treatments when our infusions coincided. We were at the same stage of disease and went through similar treatments. We talked about many concerns we shared about our families and the success of our treatments. I had looked forward to getting to know her better as we both loved the theatre and PBS programs. Her company was of great comfort to me as our conditions worsened. She was a devoted volunteer and would never cancel even when she wasn't feeling well. She always thought of others first and tried to keep the seriousness of her illness to herself. I will miss her. Carol MacKay

“ To the family of Linda,
Linda was a wonderful volunteer at Hospital for Special Care. Early in her volunteering "career" she worked diligently in several business offices. She was very skilled and efficient. Her next venture was our gift shop. She was always friendly and had great customer service skills. She had determination to get the job done in every department where she worked. I will miss have our chats in the gift shop. My sincere condolences,
