“ Lisa was also a former neighbor where our sons grew up together for more than 10 years. Justin and Kyle will always have their memories of growing up, playing baseball together, and now entering their senior year of high school. To Justin, his grandparents, and family, I am sending my deepest of sympathies and prayers. May your memories help to ease the sadness of Lisa's passing. She is definitely an angel watching over her family!

“ Lisa was our neighbor for several years and was always so kind and friendly. One of my daughters used to play outside with Justin and the other neighbor boys. Now she teaches him at tennis lessons. Lisa always bought Girl Scout cookies from my youngest daughter each year.

I pray Lisa is at peace and send prayers to Justin and his grandparents during this difficult time.

“ Lisa came into my life about 25 years ago. No matter what was going on whenever I asked her how she was , her response always was,"We are fine." She was always there to listen when I needed someone to listen. I will miss our breakfasts out together. We would spend several hours over breakfast just talking. Her love and devotion for her son Justin was amazing. Almost every day there were texts back and forth. Her courage was incredible. She earned her wings for Heaven has a new angel.

“ I am so saddened hearing that Lisa passed. I knew Lisa from working with her at Cigna and then we both went to work for Advanced Medical Billing in Farmington. Lisa and I would go to a movie together from time to time. She was a loving mother and caring friend. We shared our personal struggles like friends do. I lost contact after moving to Florida. The few times I went back to CT I tried googling her name but couldn't seem to spell it right. I would think next time I was visiting I would try again. I am very sorry Mr & Mrs Phillips.

“ My condolences and prayers go out to Justin, Kim and family, and parents. I knew Lisa from Elementary School and on through High School. She was a gentle, caring person. I reunited with her when Justin participated in the Learn-to-Skate program offered through the Parks & Rec at the Plainville Indoor Sports Arena, where I was one of the instructors. Se was even sweeter than she had been in our youth. I'm certain she touched many lives, and each of us blessed to have known her are better because of it. Rest in peace, dear friend.

“ Dear Maureen and Ray and Kim, my daughter,Christa, from New York sent me the obituary today, and I was shocked to hear of Lisa's passing. I visited Lisa not to long ago at Apple Valley and we prayed together. As the Apostle says, she was more and a conqueror in life, because nothing ever separated her from the love of Christ. You are a beautiful family and your reflected Christ's love for her in so many ways. I wish I had known I would have been with you for calling hours and the service.
