“ Marlene, you were my partner in crime for several years after we graduated high school, visiting all our friends at their colleges and just having a blast together. You were with me when I met the man that became my husband, so you will forever be a part of that unforgettable memory. Your smile always lit up a room and made everyone else smile too. Rest In Peace my friend. Love, Dorothy

“ Marlene was a kind, gentle, loving and generous lady. She had beautiful eyes and an even more beautiful smile. I loved getting to know her and really enjoyed spending time with her when we could enjoy lunches together. Our earlier years in roller skating were such fun with all of your family and her friendship with my daughter was very special. Mar will be greatly missed. I am sending the Carlson family my deepest condolences.

“ Such a lovely young woman! I enjoyed her humor and company throughout many years.
All of us former skaters loved to skate and laugh at everything. God bless and prayers to family!

“ Dear Marlene, Lisa Blake shared the news of your passing with me. I am so sorry as you were so young. You and I met a hand full of times. I was Lisa's first roommate at SCSU and I remember you and Liz visiting Lisa at school. We actually all went out to watch Sal's band play a few times. We were also Bridesmaids together in Lisa's wedding. I will always remember you as a great person with a gentle soul. I will keep you and your family in my thoughts and prayers. May you rest lovingly in the arms of The Lord. Cristina Boisvert
