“ Many people come to mind when you think of the name Michael. There is Michael the Archangel who fights against evil. Saints and Kings were named Michael. There are great athletes, actors, singers and even the famous sculptor/painter, Michelangelo. For me the name Michael has a new meaning. For me, Michael stands for peace and quiet, bravery and a strong fighter, love of family and commitment, heroic and quiet, a gentleman. I had the honor of spending some time with Uncle Mike last week. I can say without a doubt that he is truly all of the above. He lived and died with great respect and dignity. He fought a courageous battle and never waived. Uncle Michael walks with Jesus now and continues to love and watch over his family. His battle is over but his legacy will go on thru the love, respect and fond memories his family and friends hold dear to them. God Bless Uncle Mike and his family.

“ I just wanted to extend my deepest sympathies to you, Judy, and of course to Mike and Michelle on losing Mike. I'm so deeply saddened to hear of his passing and I'm hopeful any pain or suffering was brief. Losing someone so near and dear is an awful experience that unfortunately most of us have to experience at some point. I hope your pain is softened by the thought of Mike being free from any suffering he might have had. I wish I could be there to convey in person how badly I feel for you all. I thought Mike was a really good man and devoted to you all. May your pain be lessened by the wonderful memories I'm sure you have of Mike through the years. Stay Well. Bobby Bednarz

“ I grew up on Roberts St. three houses above where Michael lived with his brothers. We played together for several years in our youth. Playing softball on the empty lot next door, playing tag, hot-cross buns, etc. I have many fun-filled memories of those wonderful times. I left N.B. in the late 1960's and now live in PA.

It is so sad that three of the boys died at such a early age. My sympathy to his widow, Paul and all the family. May God Bless his soul.
