“ I'm so sad! Olga was my Mom Stella Guzy's best friend. After meeting Olga I understood why they were so close. What a wonderful woman. While my Mom was still alive the two of them spent hours talking on the telephone, like two teenage girls. My thoughts are with Olga's family.

“ Love you Aunt Olga, you'll always be in my heart. I wish I was there more for you. Thank you Steven for being there for her. I remember as a child sleeping over at times, always safe and she took good care of me. When I last talked with Aunt Olga we both agreed that we missed my mother Anna and my father Richard a lot. Now I miss all of them so much. I now think of them all together again.

“ Although I knew Olga for only a year I feel privileged to have been able to spend time with her. She was funny, caring and at times a little stubborn but always had a smile and kind word for me. She loved her friends, her nephew Stephen and her home at Arbor Rose.

Her last few months were hard and I am happy she is now at peace. I will miss her.
