“ I hope you remember all the happy memories you had with your dad. I will always remember when he made the ice skating rink in your backyard where your garden was, and you asked us to go skating with you. He was really nice to do something fun like that for us.

“ Dear Lois,  
I'm sorry to hear Al passed away yesterday. I work in the service department for Ikon going back to the Acopy days and knew Al as an easygoing and very sincere person. Although I never worked directly for or with him we'll all at Ikon miss his presence. My deepest thoughts to you and your family during these hard times. Just remember he touched many people in different ways and he will be missed terribly.

“ Dear Lois, Kris and Alison,  
I just learned of Al's illness and passing. I only met Al once at Sharon's Christmas party a few years ago, but I remember chatting with him and his being so friendly as if we'd known each other for a long time. My deepest sympathy to you and your family during this difficult time.

“ To The Campanelli Family,  
I was one of Al's nurses at Hospital for Special Care, and had the pleasure of knowing him. We'd often talk of how our daughters attended Syracuse. My heart goes out to all of you.  
In sympathy, Nancy
