“ *So many memories as Connie said I could write a book. The campsite was always a blast like the both of us trying to ride a two seater tandem and she falls off and breaks a leg. Niagara falls and she gets sick with yup you guest it diarrh++. That was a day but she laughed it off till she turned in her wet suit. The day before her and Frankie's wedding as her bridesmaid in a pink I got a burning red sunburn but she laughed while gramma and mom were furious. I need to leave some space for others but will end this by saying I love you Aunt Toots and so happy and proud to have you in my life. Love you yesterday today and forever. Rest well. “ *My memories of Aunt Tootsie will stay with me forever-never a dull moment at the Catucci home on AllenStreet! All the fun birthday parties- sitting at the picnic table with my mom and Auntie Toni, Uncle Frank and Auntie Tootsie(avoiding all the boys!)- Though I knew her more as a child, getting to know her again when she came back to CT made me realize how much i had missed her wonderful smile and laugh. You are a gem Auntie Tootsie and you will be missed. Love you always , your niece Jill*

“ Aunt Tootsie, thank you for being a wonderful aunt. For always making it fun for us when we rode in the big station wagon, going shopping or the lake for a day of swimming with all of us kids. Even sled riding at Stanley Park. You definitely kept us boys in line. Some of us more than others. I won't name any names. I love you and you will be deeply missed! Your nephew Glen

“ I have fond memories of Alice since I was very young, she used to come over to our house and visit with my mother and talk. When Alice and her husband Frank use to go camping they would ask my mother if she wanted to go. My brother and I spent a good amount of time with Alice and Frank four children while growing up.

I will always cherish and remember Alice, mainly for the kindness she showed to my mother.
