“ Days are gone we use to share but in my heart you are always there. The gates of memories will never close. I will miss you and love you forever.

“ So sad to hear of Aunt Alice passing. I remember when being at her first wedding where my sister Anna sang "Lipstick on your Collar", I was 3 years old at the time. I remember the visits and playing with all my cousins. It's sad how when we all grow up and people move and we don't get to spend time together anymore. Life gets busy and people have to follow their dreams to make a living for their families. But, I want you all to know that I thought of you all and remembered the fun times so please know that we are still family and if there is anything I can do, I am here. Wish we could have all stayed in touch but you can find me through Aunt Jeannine and Cousin Jackie Harvey. I would love to get to know all my cousins and there are many. You all have a spot in my heart and thoughts and will never be forgotten. Aunt Alice, you will be missed and please rest in peace. Say hello to your mom and dad (my grandparents) and hello to all your brothers & sisters (Norman was my Dad), Love and miss them all.
