“ *My deepest sympathy to all of you. I will always remember Mrs. Urbanski as a quiet, kind, welcoming person. I have many fond memories of her from Ellis St., when Rebecca and I were growing up. It seems like yesterday. May she be at peace. My best to all.*

“ Hi Family,

It's Butch here in NJ. It saddens me to hear of Former's passing. I am also amazed and happy that she had such a long life. You are all in my thoughts and prayers.

I have such cherished memories of her from my childhood. I remember her as such a warm and beautiful person. A memory to share is the time when I was about 5 years old. I wanted to see her so bad that I ran away from home to do so. I hooked up my wagon to the back of my bike. I took the milk box with a bottle of milk in it. Couldn't forget the Oreo cookies! Then my little brother Karl wanted to go so I put him in the wagon too and off we went to see Former. Unfortunately, we did not make it that day. My mom figured out the plan and came after us. Since it would have taken 15 minutes by car to get there, she figured it was a little too far for two young children to go there by bike. Darn!

Former will always be in my heart. I wish I would have seen more of her over the years. I miss you all and am sorry I could not be there now but times are tough.

Love, Butch
