“ Amy, Kris: I have so many great memories of your mom when we were kids. Amy - how many hours did your mom spend hauling us around in the Vista Cruiser? We sat in the far back of that station wagon with the window rolled down, laughing, singing, acting crazy. I'll bet she made hundreds of runs back and forth to AW so we could go swimming. I remember that she made the cutest halter top for you, and then she made one for me too, because she didn't want me to feel left out. That was so nice, I remember it like it was yesterday - it was a pretty buttercup yellow.

She was a lovely lady. Wishing you both peace and comfort.

“ Classmates from kindergarten on, I knew Andy to be a very pretty girl and a really beautiful person. Her special kindness to those of us who needed it in the Hospital was so comforting; she was perfect for that job. I will remember you and miss you always. My deepest sympathy to your family.

“ On behalf of the New Britain High School Class of 1959 we extend our deepest sympathy to the family and friends of Andrea our classmate. Andrea was a popular vivacious friend who loved and lived life to its fullest. Her arthritis did not deter her from her visits to the HfSC pool where she joined many of her friends in maintaining her mobility for as long as possible. Andrea was an active member of her class contributing to the planning and success of our many class reunions. She will be missed by all. Our prayers and many memories will remain as we Continue to gather together as a class. This year we will celebrate a collective 75th birthday celebration in Sept. Andrea will be there in spirit.

“ Kris & Amy, Your Mom was one of the sweetest people I've known. I have many good memories of her yelling at us as kids because of course we were always doing something wrong. Climbing in Baci's tree for cherries, Old lady Draper told her all the time we were doing something wrong, were we?

We have so many memories, you have many that I hope help you through this time.

My heart breaks for you.

My heartfelt sympathy,

Love, Melanie Luke
