“ Mom - Calling you mom has always come easy to me. You have always been like a second mother to me and not just my mother-in-law. You were a beautiful person that accepted me as your daughter and complimented me over and over again that you were so happy to have me for your daughter-in-law. You and Pop have been such wonderful parents to your children and brought up your boys so well. They are gentlemen and I have been very lucky to be part of such a beautiful family. I enjoyed so many of our talks, dinners out with the ladies and our many casino trips with Barry and Bonnie. Those memories will always be fond to me. Along with the many, many holidays we have spent all together. You will truly be missed but will never be forgotten. We will always honor you and speak of you to all the grandchildren as I know they will always remember you. With Love always and may you rest in peace. Sandy

“ Mom - Not a day will go by that we won't miss you. You were the most gentle, loving and caring person I have ever known. Most of all, you were the best Mom a son could ever hope to have. We were all so lucky to have you (our angel) guide us through life. Be at peace, your work is done. "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." John 3:16

“ Angie was a beautiful person leaving a legacy of love and kindness to her husband Ed, all her children , daughters and son in laws and the grandchildren. She cherished the time spent with family and bragged about them every chance she got. May God Bless her, she will be in our hearts forever.
