“ *Ann Minnick was a tenant of mine many years ago on High Street, New Britain. She was instrumental to me running the apartment building there. We became very close friends.*

*When she moved to Florida, it did not lessen our friendship. We regularly communicated with each other via letters and phone calls.*

*Annie had love for everyone. She enjoyed telling factual stories about her favorite sport--fishing. Her indoor hobbies included croqueting for friends and family; she was skillful in making Indian artifices for her friends and relatives.*

*When she moved to Newington, I introduced her to Wayne Jodoin, a member of Calvary Christian Center, New Britain. Almost immediately a reverence relationship developed between the both of them. They always greeted one another as "Mom" and "Son".*

*Annie touched my life in many ways. I loved her as a sister. How blessed I am having beautiful memories of her.*

*May I express my heartfelt condolences to her family and all who loved her.*
