“ Dear Heather,

At this difficult time, please know that I am thinking of you. I would like to share this simple, gentle memory of your grandmother that just makes me smile and feel glad to have known her.

I have such a very fond and clear childhood memory of an afternoon in the kitchen at your house with your grandmother. I remember your grandmother fixing us the best tuna melt sandwiches ever. She was so sweet and adorable. I remember thinking how lucky you were to have such a loving grandmother, as she prepared this lunch for us and the sunlight seemed to follow her in the kitchen. I remember her beautiful accent and most of all I remember feeling quite special to be in her presence when I went to visit at your house across the street. Your grandmother, such a warm, kind, sweet and loving grandmother, made growing up on Carriage Drive all the more beautiful.

I send my deepest sympathy to you, Heather, and to your mom and dad June and Rob and of course, your brother Ryan. May you find comfort in the love that surrounds you always. God bless you!

With love,

Alicia
