“ *Aurora and Family,*

It is with deepest sadness that we share our condolences and sympathy with all of you on the loss of our wonderful and very special and dear friend, Tony. After all these years; he was our #1 friend always no matter what. Our thoughts and prayers are with all of you as we ourselves process the grief we feel in losing such a wonderful man. We know he is at peace with God but yet we can no longer share our memories and reminisce as we did so often with him as he spent his last few years in the convalescent home yet always smiling and cheerful and happy to see us. Our family will truly be at a loss without Tony in our lives.

God bless him for the wonderful man that he was and the friend he was to all of us...

Our sympathy to all.

“ *Aurora, Jaime and Family,*

Where can one begin to describe the love, devotion, emotions and feelings at this time of sadness. Tony was a beloved and very dear and special "uncle" to me and to my children - the wonderful memories and years gone by will never be forgotten; the holidays, the good times; the wonderful, caring and loving man, friend, husband, father, grandfather that he was will live on in our hearts and in our thoughts. He leaves so many good things that he was and he did....I can go on and on but at this time, I want to express our sincere and deepest condolences to all of you and know that we are all thinking of you. Tony is with God and at peace.

Our thoughts and prayers are with you....
