“ Carol,

Our heartfelt thoughts and prayers are with you, Scott and Kevin and the rest of your family during this difficult period. It was a great pleasure to work and associate with Arnie at Fafnir Bearing. He was a standup guy. The guys in Human Relations made a great team and we enjoyed our jobs and worked well together. The one memory that comes up is the surprise birthday party for Arnie and the belly dancer which was the highlight of the night. I enjoyed our short chat, after many years, in the lobby of NBGH when I was going through cardiac rehab. If Arnie hadn't identified himself I would have never recognized him without this beard. Again, our condolences and prayers are with you.
