“ *I first met Art at Klingberg Family Center many years ago and we continued our friendship through First Church. Art was a remarkable man; kind, devoted to his family and a great friend to many. My sincere sympathies to the Morneau family. May the memories you shared together be a blessing in the difficult days ahead.*

“ My uncle Art was a great man. He told the best “dad jokes” around. I always looks forward to how he would make me laugh when I saw him. I remember year after year going to his house as a child watching the annual showing of “the wizard of oz”. I’ve distanced myself over the past several years of adulthood, but always remember the special memories and pleasure of talking with my Uncle Art. Love you so much.

“ Big Art was my Boss for 15 years. He was one of the most Genuine, Giving, and Patient people I have ever met. His sense of calmness and ability to deal with difficult situations was amazing. I learned so much from him, and it made me a much better Husband, Father, and Person. He was One of a KInd, and will truly be missed by all ! RIP.
