“ *If Judy hadn't emailed me today, I would have missed the saddening news. We all are separated by distance and time, and I regret that the years have not kept us closer together. I have many fond memories of Christmas and other holiday gatherings as a child, especially the magnificent cuckoo clock that heralded in Christmas Day and the new year. Audrey's hospitality and being a part of our extended family had a warm effect upon my early years and she will always remain in my heart. May God bless her and comfort her family as Audrey's kindheartedness remains kindled in us all, through every generation.*

“ My family and I would like to send our deep sympathy and prayers to your family on the passing of Audrey. My mom Ann Milewski and her were best freinds. Going shopping and spending most of that time over a cup of coffee laughing and talking. When we were young we would have a snack over your house and would have coffee with alot of sugar cubes even my brother who was very young. When they got older it was a tradition to call each other every Thanksgiving day to talk and wish each other well. When my mom passed June 11th 2011, I called your mom to wish her a good Thanksgiving and talked. May they both be in heaven enjoying each others company with freinds and family.
