“ *Dear Sandy and family,
How saddened I am that you all endure this loss. But I do believe
Audrey's in a better place. What I recall most about her is the
serenity and calm she always seemed to possess, yet there was
such an inner strength that, I'm sure, served her well through these
last trying times.*

*You have my love and prayers--
Juder*

“ *To Audrey,*

*In ancient cultures, they celebrated death and mourned birth. They
felt that death is the beautiful time with no pain and that you connect
with family members and friends, and rest until you're ready to
come back, connecting with those same people again.*

*So I am happy that Audrey is in that beautiful place and has no
more pain, and sad for us that we temporarily lose such a great
person.*

*I will still think of her every week when I use the dutch oven she
gave me 40 years ago!*

Bon voyage, my friend.

love, Bunny
