“ to dave: hope i'm not getting too sentimental with you D, but i wanna share another good memory of you and your pop's. i always thought the coolest thing your dad did with you was taking you to the batting cages before almost every game. my dad worked too late on weekdays so we could never hit the cages, but for your dad to take time out of his day and do that, showed to me, at least, he was a damn good father. i don't know if you always enjoyed that, but i was jealous, that's for damn sure. whenever you were at bat or in the field, i wanted you up at the plate in a big spot or the the ball hit to you in a big spot.whether i was pithing for the cubs or unico i was always confident with you behind me in the field. i always thought your dad rubbed off that confident play on you. he made you a better player and it made me look good. d, the memories of you and your family and me, joe and my family are real and mean a lot. let's get through this with class, heart, and toughness. cuz that's what our dad's instilled on us. only the strong survive. my dad always said, winner's never quit and quitter's never win. much love, tom and joe m.

“ to terry, dave and mikey. on behalf of the murratti family, i want to send my condolences and prayers to you all. my favorite memories of childhood are those summer nights when me joe and dave were in the field together at martha hart park for those classic cubs games. seeing my mom with mrs. romieko and the rest of the players moms rooting us on always gave us great comfort. also, to look over from the bench, and see my dad and augie talking and watching us play, i'd always try to impress them or make them smile with a spectacular play in the field or a clutch hit at the plate. though they're both gone now, thier memories will live forever and always. love and respect to augie and the romieko family. the murratti family.

“ Dear Romeiko family, I cannot tell you how saddened I was to hear of Augies passing. I worked with Augie at Fabric Place for 3 1/2 years and I must say he was well respected by his peers. His customers always had something nice to say about him. He was a wonderful person who will always hold a special place with me. May the good Lord above Bless you and hold you close during this difficult time. My thoughts and prayers are with you.

“ Dear Terry and Family,
We are all saddened by the passing of Augie and our thoughts are with you. We have many fond memories of Augie at the marina. It is nice to know how much he enjoyed his new deck at the marina and of course the Red Sox championship two years ago. He trained Josh well so the Porgies in Long Island sound can't rest easy since Josh will I am sure continue the tradition of catching them all!!!

“ I would like to express my deepest sympathy of your loss of Augie. I knew Augie in High School very well and have only the best memories of him. He was an amazing friend and always enjoyed a good laugh. I haven't seen or heard from him since high school, but know if I did ever run into him it would be like time never passed. He was that kind of friend. I hung around with him and Kenny Parisi and Gail Koczera, I don't know if he ever mentioned us. We all grew up together in "our" end of town. New Britain sure was different then! I know he will be missed deeply and hope you find peace in all the good memories you have.

God Bless,

“*Romeiko Family words can describe the loss I feel for your family. Augie was a wonderful person, husband, father and neighbor. My heart aches for the loss of a wonderful person who touched many people. I will always remember Augie cruising in his boat, and drinking his favorite glass of wine. With my love and sympathy.*
