“ So much to remember Molly for. Good, bad, or indifferent. I always loved you. Even when I was lacking in the liking part. I wish I was able to be there with everybody on Friday. But, unless I win the Lottery tonight, it's not going to be possible. I guess that means I wont be getting a cookie...LOL

I have sooo many memories and stories I can hold onto. And until my own passing I'll remember them all, and share them with everybody willing to listen.

*I love you Mom,
Georgie*

“ Barbara you were a true camper and a good friend to me. I remember the talks we use to share on Friday nights until late. We shared some laughs and some serious times.
You will be greatly missed. I remember how you did not like for anyone to help you get up or sit down or anything, you could do it yourself. What a falling out we had with that one smile but I still loved you and hope and pray to keep on that straight and narrow so we can see one another when our Lord and Savior comes and takes us back with Him! What a glorious time that will be...until then my sister and friend....Dorothy
