“ To Barbara's sons, I would like to tell you how sorry I was to read a few weeks back that your mom passed on.

I met her back in 1971 when my husband and I first moved to Connecticut. I worked with her at the Burritt Bank for many years and always enjoyed her. When we bought our first house on Monroe St in New Britain she would always laugh because I would tell her I had the only house in New Britain without a tree. Sure enough one day your Mom and Dad stopped by our house with a little pine tree in a coffee can they got on a trip to Maine. It was so funny and thoughtful. We planted that tree and today it is a big beauty still on Winthrop St.

Your mom also invited us to her church and we enjoyed going there for many years.

I won't keep going on and on here..but I do want you to know how much your Mom and Dad touched our lives.

“ I have known and loved Barbara for about sixty years. She was a wonderful friend to my mother and I have such great memories of the three of us playing golf together. We called it a "stupid game," unless we were doing well! We also had great times going to the beach and, in later years, going out for lunch or having lunch in the dining room at Covenant Village. This was always preceeded by a little glass of wine in her cottage. Barbara was a wonderful, strong and loving friend and I will miss her.
