“ *Bernt,
It has been such a privilege knowing you for the past 30 years. I'll miss so much of our time together and the great stories that only you could tell. You've always treated me like your son and I always felt that I could do no wrong in your eyes. I'll miss you greatly. Rest easy and God Bless!*

“ When my brother Glenn and I were in high school, Uncle Bernt drove us to Hartford to watch the finals of the 1974 World Cup soccer match on a big screen at the Bushnell. Glenn and I were playing soccer for the Avon High School team at the time, so we were thrilled to get a chance to see the world's best players in action. Bernt was a big soccer fan as well. This was in an era before every imaginable sporting event was available on cable and satellite TV and in sports bars. So it was a pretty big deal for Glenn and I to make this trip with Uncle Bernt. I believe it was Germany vs. the Netherlands in the finals that year, but I don't remember who won. I recall that there was a large and boisterous crowd of soccer fans on hand, cheering for their team. We had a great time, and I appreciate the fact that Uncle Bernt thought to include us in this event.

“ Uncle Bernt,
The first time you saw me was when I was a baby in Sweden. The second was with my Mom, Dad and sister in 1969 when we came to the U.S. and then January 2011 when Therese and I came to visit. I will never forget the many phone conversations we had! We will talk to each other again later on inI LOVE YOU UNCLE BERNT!

“ Eleanor, Linda, Debbie, Kim & Michael, Karen, Matt, Erik & Megan,

We were so sorry to hear about Bernt. Even though he had been through some tough times recently, we always figured a strong guy like him would pull through. He was a wonderful man with a heart of gold. He was always so outgoing and friendly no matter how long it had been since we had seen him. I know Charlie will especially miss his stories. May you all hold on to your good memories and each other at this time. Our thoughts are with you. Love, Pam & Charlie

“ Grandpa,
I still remember the times where i would take all the toys from the attic and play store with you. I will always remember Christmas and New Years, and just all the times I've spend with you over the years. I love you Grandpa. R.I.P

“ Grandpa,
What I will miss most about you most are the simple things you would do to make me happy. Weather it be the way you answered the phone in your awesome Swedish accent or the way you always managed to cut the perfect slice of boom boom cheese, you never failed to bring a smile to my face. However, I am currently in a state of joy because I don't believe it is appropriate to be so saddened by your leaving. But instead, be happy for the 84 years of joy you brought to so many people. I love you Grandpa and I will always miss you.
Love, Erik

“ *I would like to offer my condolences to Bernt's family. I first met Bernt in 1972 while a carpenter's apprentice working for Hayes Construction in New Britain. As the years went on, I was very fortunate that Bernt had the patience of teaching me all his "tricks of the trade". He will always be in my thoughts and prayers. I will always remember the times we had a couple of Miller Highlife's in his cellar and talked hockey.*
