“ Just wanted you to know how sorry I was to hear about Bertha. I am a Jefferson House volunteer and I will miss her so much. I am so glad I got to know her. She was very special. I also wanted you to know that she was the cause of many people I know getting a shingles vaccine. I had told her that she had helped a lot of people she didn't know in that way. My sincere sympathy to all of you.

“ I am so saddened to hear of the passing of Mrs. Becker. I lived next door to her on Sequin Street for a short time before she moved to the Jefferson House. What a lovely, gracious and kind woman she was. I am glad to have known her. She had the gift of being able to chat with a person of any age. We always joked about getting each other's mail by mistake.

She is in my thoughts and in my prayers. My condolences to the entire family.

“ To the family,
I am so sorry to hear of your mom's passing. I had called her earlier today 2-26-09 just to hear her sweet, loving voice. I was shocked when the person at the other end of the phone told me. Needless to say, the wind was knocked out of my sails. I was so sad.

I will always remember our visits with each other on Wednesdays when I lived next door to her. I will always remember our laughter & the love in her voice whenever, after I'd moved away, I would call her 'just to check in'. I will also remember, too, just how proud of you she was! Her family was her life!

When I spoke with her last, I thanked her for giving me the opportunity to become her friend, & I was given the chance to tell her that I loved & missed her. I will always love & miss your mom!
What a great person!

I will be thinking of & praying for all of you during this difficult time!
Again, I'm so very, very sorry! If you need anything at all, please contact me! Hugs & lots of love go out to you from me!

Your friend,

Debbie
