“ Dear Karl and family and friends of the New Britain North Congregation:

The last time we saw Brigitte was at our garage sale at our home right before we moved to Florida in May of 2004. She talked about her trips to Florida and hoped that she would be able to visit us one day. She told us to shop at the Salvation Army "Boutique" where we could get the best bargains on clothes. I was happy that she stopped by to see us before we moved. It was a chance to talk about the "old" congregation and how the years had passed and how much we had all changed. We miss all the friends from home, in the North and Central Congregation, especially all those who were once together in the New Britain West Congregation, including Brigitte, Karl and her son. We are forever connected in our hearts and we look forward to seeing Brigitte again real soon. We send you our love, support sympathy...Love, Tom, Sue and Mike Thibodeau of Boynton Beach, Florida

“ Dear Karl,

You may not remember me, but I remember you and Brigitte. I came into the Truth in New Britain in 1972 when Jim Brewster studied with me. I was very good friends with Sue Thibodeau, Diane McKeon and Jean Schenk. Now do you remember me?

I want to express my deep sympathy to you in the loss of Brigitte. You both made a big impression on me when I was coming into the Truth. I am happy to see that you both remained faithful all these years. The sting of death is difficult to bear. How wonderful it will be to welcome back your dear wife in God's new order. I am sorry I will not be able to attend the services but I am working on that night. Please be assured you will be in my prayers.

Agape,
