“ *Alma, Steve and Lynn,
My sincerest condolences over your loss. It's been a while since
Carl has been to the farm, but I have fond memories of when he did
several years back.*

Can't help but think he and Tom are enjoying each other's company.

“ *I wish I got to visit Lynn and her family more often but over the past 20 years, I've always looked forward to those few opportunities to sit with Carl at family gatherings. We'd talk politics and laugh a lot. Carl had a great, deep down laugh! He and I were buddies sitting in the background watching all the action. To one of my favorite families in the whole world, my deepest sympathies. What a great guy.*
