“ Dear Phyllis, Anne, Kari. Please have my sincere condolences on the passing of your husband and dad. It was 60 years ago when you took me in for the summer break. I was a foreign student having adjustment on campus. No questions asked, Mr. Hjerpe, Mrs. Hjerpe and you two girls made me comfortable. Thank you. Today I reflected and turned to the obituary, realizing Anne and Kari would have long grown up, married with children and assumed other lady names. I was correct. With much love, always. “ Dear Phyllis, Kari, Anne and families, It is with a heavy heart that I learned of Carl's passing...what a fine, gentle man. Hope he and his neighbor and friend mechanical engineer Van, will get to hangout and celebrate the wonders of their 95 years as kind and loving spirits among us!
Carl was a vibrant, industrious and joyful man who contributed much to all the people and occasions of his life. You much have a rich "storehouse" of fine memories to sustain you.
My sincerest sympathies are with you as well as all the grandchildren Mindy, Ben and Christopher...and Kari's too: what a wonderful role model their grandfather was for them. He will be greatly missed but dearly remembered.

“ My sincere sympathy to Phyllis and the Family. Carl was an important person to me, a mentor and friend, a congenial and approachable tower of strength who constantly reached out to others. Although I have not seen him for many years, I have treasured Carl's occasional correspondence, his wit, wisdom and good cheer despite adversities. His memory will be a continuing source of strength. “ Please accept our heartfelt expression of sympathy on Carl's passing. The Hjerpes played a long-standing, beloved role in the lives of the Carlson/Fredell clan nearby, which I know through memorable stories from my mother Evelyn.

God bless each of you in the coming days.

With sincere sympathy,
Kristen Widham and
daughters Evelyn and Britta

“ Phyllis-The Taber family will miss our wonderful neighbor Carl. Running over to say Hi was the first item on the agenda every summer as we arrived at our cottage- particularly for Maria. From advice to mowing 18 inches of grass to apologizing for our rowdy dogs and kids, I was always greeted with a warm smile, a helping hand and time to chat. We all loved Carl- a truly special person and neighbor in every sense of the word. love to all- Joanne
