“ *I will always remember Carl as a man who loved his Bingo and the Boston Red Sox. Being a Yankee fan all of my life, Bingo was our topic of conversation. When I would call Bingo at the VFW where he was a member, he would always ask me to call his numbers. I did, but sometimes not soon enough for him.*

“ *Uncle Carl will be truely missed! When Uncle Carl and my dad Frank would get together they would share so many childhood stories of growing up...these were priceless....and then the stories between our mom's.....2 brothers that had married 2 sisters! All are now together in heaven and catching up on old times, I am sure! Thank you Diane & Mike, for stopping by our home in GA and bringing Uncle Carl by to share a visit with us!*
