“ *I am very sorry for your loss of Carol. I saw the obituary and was very shocked and saddened.*

I worked for Carol at J.C.Penney at Westfarms Mall for many years. I loved working for and with your mom, she always had us work to the max, but it was fun also. Noone had as much energy as she did, she just kept going.

My thoughts and prayers are with you and your family at this time of loss.

“ *I have known Carol Sargis while working at Norumbega Point of Weston, Mass where she last resided. I became Mrs. Sargis's aide From February- September 2011. She had always been excited when showing pictures, telling stories about her family and friends. Mrs. Sargis had an affable Smile, always make me feel comfortable working for her in her Apartment. I will remember asking her for permission to turn on her TV or using her fridge my lunch she would say "you could do whatever you want". That was the great resident I was caring for. God saw that you were getting tired, and a cure was not to be So He put His arms around you and whispered "Come to Me" My fond respect to you and yours*

“ *We, from Rochester, NY, met the Connecticut Sargis' on Seabrook Island. Arnie and George played golf together many times and shared their USAF experiences. The couples socialized with other mutual friends. Arnie and Carol were a great couple who departed this life far too soon. Now they are together again. We miss them and send our sincere condolences to the family.*
