“ Karen and Sharon, this is a voice from the past, so very sorry to hear about your Mom, The thing is I was just thinking about her last week or so. We had some good times at her house on Warren St. and she showed me how to make tuna casserole, and we still have it to this day, and when I make it I always think of your Mom. Joe and I wish to extend to you our deepest sympathy. To you and your families and as I can see there are quite a lot of them. Again, God bless you all, Marie and Joe Russo
