“ Catherine always enjoyed a good laugh when members of the UCONN Health Center Public Safety team would interact with her during our visits to her office. She always had a kind word and would always speak very highly of her family members. Catherine and her family are in the thoughts and prayers of all who knew her. Our sincere condolences...may she Rest In Peace. Dave Marsland

“ I worked at UConn health center while Catherine worked there. We shared the same birthdays. I remember one year going to the trailer to renew our auto licenses together. We were laughing so hard that they had to take our pictures more than once. We had lunch together every day and she made us laugh each and everyone of those days. My condolences to the family. She was a wonderful person.
