“ I worked with Charlie for over twenty years and got to know him well. He had a heart as big as Texas and was always a gentleman. He will be missed, and I'm glad to have some great memories of him. My deepest sympathy to Charlie's family. May the Lord bless him and comfort you.

“ I have so many wonderful memories of Charlie. He was such a great man. I haven't seen him in over twenty years but I can still see his smile, that smile was infectious. Had a lot of laughs, a lot of good times with him. He always called my daughter Strawberry Shortcake, which is something I'll never forget, just one of those fond memories I have of him. He will never be forgotten. RIP Charlie

“ Well, this will be the most unusual posting here. I never met Charlie. I have been blessed to be his son Jeff's substitute Father. Jeff's Mom, Adel; in the 18 years we have been together, never spoke a bad word about Charlie. I really feel any friend of Adel would be a friend of mine. Jeff met Charlie last week for the first time...unfortunately, Charlie did not get to meet Jeff. I hope and pray that Charlie, now in Heaven; will get to see what a wonderful son Jeff grew up to be.
