“ Shawn, Scott and the Mangan family, I am very sorry for your loss. Your dad was a really good guy. His talents and the kind of person shine through you. I remember hearing about Chuck Wagon Charlie from my son's Cub Scout Pack, not knowing he was your dad. He made a wonderful impression on them, and anyone that he met. You and your family are in my prayers. - Gregg Rinick and the Rinick Family.

“ Scott, Shawn and family, not sure where to begin . My prayers are with you all. As a youth group leader he came to our retreat as a chaperone. We were on committees together and shared many laughs and deep conversation. He truly was a great man and friend. Sending hugs and kisses. Love you all, Betsy Armitage

“ A beautiful obituary. My condolences to everyone who knew Butch. He was a wonderful man, and I am proud to call him my brother. I remember the first time we met Jean and the birth of their boys. Ray and I spent many Christmas Eves with them along with our children. It was great seeing Scott, Kristine, Shawn and Tracy-Lee and their growing families. Such wonderful memories.
