“ *Grandpa-I can't believe it's been actually a month and 2 days. It
feels like it was just yesterday that we were on the phone and you
were telling me that i need to finish my college education and how
proud you are of all your grandchildren. I can remember when you
were in the hospital and i was on the phone with you. You were
telling me everyone that you spoke with that day which was all your
children, Joanne, Azya, Jen, SS which was Steven Stepina and he
would say comeon thats your cousin you should know that and
would laugh, Jeff, and Jodi. Everynight you would tell me don't
forget to call your Grandma and tell her I love her till no end and i'll
see her in the morning. There hasn't been a day thats gone by
without me thinking about you. I miss and love you always and
forever....Love always & forever your "Girlfriend" & granddaughter
