“ Bill and I are very sorry we will be unable to be with you in this sad time. You are in our thoughts and prayers.

If Mom were still with us, she would be the first to say how much she loved Christa's sweet nature, her loving heart, and her endearing laugh, and how impressed she was by the care Christa lavished on her mother.

Christa loved her family and despite her own serious health problems, she took care of them and supported them to the best of her ability.

She was a good friend and we will miss her.

Love, Eleanor and Bill
