“ *Have known your Mom for almost 44 years and have always thought fondly of her and your Dad. You and Donna are a wonderful tribute to the memory of both of your parents, and now they are finally together again.*

“ *My fondest memories of Chris and Ruggy are when our college friends would be sitting in the Muratori kitchen drinking coffee, playing cards, and laughing and laughing and laughing. Chris would be there with us with a huge smile making each of us feel welcome. She always made me feel that I was "just the person she wanted to see." Her home was warm and welcoming.*
