“ To the Olson family,
I want to express our deepest condolences to the family on the loss of Connie from his Pequabuck golfing family. I came to know Connie as a teenager, he was very active in the club serving on the board and many committee's and making it a friendly environment to foster golf friendships. Now, as one of the club's older members, I look back on all he gave to the club, his time and passion for the game and realize the contributions he made to the club will never be forgotten. Rest in peace Connie and Godspeed!

Cousins! I still tell stories about those cookouts to this day (epi c!). It was so obvious how much Uncle Conrad enjoyed having everyone together while he cooked and made sure that giant Coke~Cola cooler was full. I love you guys. Stay strong. I hope to see you soon.
