

Craig Alan Fletcher

December 30, 1949 - March 23, 2012

Craig Alan Fletcher, 62 years old, died at home in Hingham, MA on March 23, 2012, from a brief illness. Born in New Britain on December 30, 1949 to Walter R. Fletcher, Jr. and Mary Jane Neidner Fletcher, he grew up in Kensington and Southington. He graduated from Mooreland Hill School, Loomis Chaffee, Tufts University where he was on the ski team, and Boston University with an MBA in Hospital Administration. Craig worked in the healthcare information technology field, most recently as CIO of Signature Healthcare Brockton Hospital from which he retired in May 2011.

He is survived by his dear and devoted wife of 39 years, Anne Kuhn Fletcher; his mother Mary Jane Fletcher Mason of New Britain; his sister and her husband, Bonnie and Peter McCausland and their children, Christopher McCausland and Liz McCausland of Philadelphia, PA; his brother and his wife, Bruce and Kris Fletcher of New Britain, CT and their children, Andrew and his wife Mariana Fletcher of Stamford, CT and Sarah Fletcher of Farmington, CT; his brother-in-law and sister-in-law, Fred and Ruth Kuhn of Scituate, MA and their children, Jon Kuhn of Boston, MA and Laura and Paul Bungcayao of Crofton, MD; his sister-in-law and brother-in-law Barbara Kuhn Virta and Bob of Norwell, MA and their daughter Stacey Virta of Lake Mary, FL. Craig was able to spend his last days at home because of the dedicated help from his family and close friends, especially Bob and Barbara Virta. One of nine Fletcher cousins, Craig was very close to his extended family, especially at Bashan Lake in East Haddam, CT. He also stayed close to his fraternity

brothers, particularly Denis Mark, Larry Bell and Mike Green. He was the best and most generous uncle imaginable. Andrew picked Uncle Craig to be his Best Man in 2009.

He loved their beautiful yard, and greatly enjoyed working together on their property, taking walks and bird watching with Anne. He was an avid tennis player and very skilled sailor on his boat Alpenglow. Craig loved skiing as much as he did sailing. He regularly took trips out West to Utah's Alta and Snowbird and to British Columbia where he did helicopter powder skiing. His "can-do" attitude inspired others and allowed him to excel. He had a wonderful sense of humor and outlook on life, and regularly organized and orchestrated fun for family and friends. He leaves so many to grieve and celebrate his life. Services were private. Memorial donations in Craig's memory may be made to: Mass Audubon, South Shore Sanctuaries, 2000 Main Street, Marshfield, MA 02050. “ *Dear Fletcher Family*

I was so sad to hear the news. Some of my fondest memories are of Craig driving the boat at least two hundred miles an hour for this novice water skier. It brought him such delight. Seriously he was a lot of fun to be around. I am so sorry for your loss and so happy for all your wonderful memories. I just visited a bit with Mary Jane and she is looking so well and loving her family.
