“ I miss you so very much my friend! I will especially miss our dinners at the diner! Lori and I will carry on the tradition in your honor! It won't be quite the same though. We were so blessed to call you our friend. Now heaven is blessed to have such an angel with them. I will think of you often and fondly! To your family, I wish to extend my deepest sympathy. You touched so very many lives with your laughter and that is what we will all remember!

“ I lived on Lyons St when we went to NBHS. I can remember fun times, trying to teach me some of your family dances, going to coffee houses at UCONN. I just bumped into you about a year ago for the first time since high school and now I wish we had spent more time talking. My thoughts are with you.

“ Cindy,  
I am so deeply saddened to hear of this unfortunate news. Although some of our times were a bit challenging, I still cherish the many laughs and talks we used to have. You touched a lot of people's heart as you did mine and for that you will be missed deeply.
