“ Cindy was one of the first people I met at Zion. I will miss her calling me “cheeka” when she would see me. She always asked about my family. Over the years the beautiful memories I will cherish with Chilli cook offs, woman’s group, filling Easter eggs with Dot, coffee hour, Sloper picnic and of course the Fritter booth. You have done so much for our church and community and all your hard work and dedication doesn’t go unnoticed. I love you and miss you. 🥺🙏

“ Cindy was a beautiful soul inside and out. She always did EVERYTHING she could think of to make the lives of those around her better. Cindy was my confidant, my officemate, my encyclopedia of of knowledge on where to find anything I needed (and even things I didn't know I needed.) But most of all, Cindy was my friend, She made me, (and countless others) feel special everyday. I can't imagine a world without her in it, yet I am certain this world is a better place because of her and all the lives she touched. Cindy, you were so kind to my family and treated them as your own; you will remain in our hearts forever.

Love you my friend, Christine and Frank (aka Mr. Cruz)...oh and Riley too.

P.S. I will do my best to talk to the plants.

You know, a few times in your lifetime you meet someone who touches your very sole. Cindy was one of those people. We worked several events at Zion Lutheran which I will cherish for the rest of my life. She always put others ahead of herself, always giving and loving one another. I loved cooking with her. She was a magician in the kitchen! My heart goes out to Bob, the love of her life and to Joan who was a great friend to Cindy.

She is with God in good health and smiling down on all of us.
