“ Danny was such a warmhearted, gentle guy. The last time I ran into him I was happily surprised by the *huge* bear hug & kiss he gave me! It wasn't because I dated him for almost 3 days in middle school.

Dan was enthused and energized by his friends, expressed his sophisticated, European world views easily, & was keenly observant. Nothing got away from him. He was fascinated by the ordinary, and that is rare. That's why people wanted to be near him. He possesses that spark.

I pray deeply for his family. I thank you for bringing him to us, to me, to know growing up.

He taught me a lot these past few days. There aren't any words and it isn't about politics. The number of people he moved can't be counted. Truly powerful this one was.

May you be at total peace. Until the next unexpected hug...you say hi to Monika & Mitchell! SHS ♡c/o ♡1991

With love
