“ *David, I am saddened by the news of your passing. A great person who was taken way too soon. You were the kindest man I know and a very special brother in law. Your kids are your world and I know that you will be there looking out for them from the other side. Until we meet again brother. RIP. ❤️🙏*

“ When Dave became your friend, he became one for life. Dave was honest, kind, a hard worker, and a dedicated & humble soul. His children were his reward in life & he was a shining example of what a 'Dad' is and should be. He was a man of few words & a big heart. Gone too soon with so much more to give & do, but this gentle giant was needed elsewhere. Now he's riding his favorite Harley with his two favorite angel dogs, Dallas & Cowboy flying by his side, playing David Bowie's Space Oddity 'far above the moon', picking up his long past beloved passengers, at last free, safe, & happy. Love you, my little brother, forever. Rose 🌸•***•💜•***•🌸
