“ *The hike up the mountain was refreshing, you must have gotten a kick out of Paul's and my scaling techniques. The beautiful rainbow over Hart's Mountain when we came down, on Thursday, October 25th, 2007 was a sign that you are truly at peace in heaven with GOD! We miss you. Keep sending those signs, we I need them!  
Love you my brother!

during the 70s in Berlin and attended Berlin High School with a

“ *David, several of us from the class of 1979 got together tonight and  
made a toast in your honor. We decided that you got us all together  
for a reason. Maybe to let us all know that life is to short, and get it  
while we can. So in your memory, we exchanged contact  
information, and promised to stay in touch. We are going to miss  
you Dave, but you will never be forgotten. May you rest until we  
meet again. Your friends from the class of 1979.*

“ Dear Eric, Kyle, and Family,

*I was so shocked to hear the news about Dave. A while ago I read a sentence that holds so true to this time of sorrow.*

*"When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight."*

“ *My memories of David begin when we were very young swimming at Memorial pool and continued through the years. We had so many fun times including my needing a date for the New Britain junior prom, being members of the Leo Club to just a couple of weeks ago at the Berlin Fair laughing at all the fun times and long friendship we have had.*

*Words can not express how much I too will miss David, from having lunch with David, his Dad, and my Dad to going to the Berlin Fair always knowing I would bump into him as I have done for over 35 years.*
