“ i am the husband of denise's sister lisa.my name is robert and i feel sad because i never got to know denise while she was living and my wife was under the impression that she couldn't see her either . my wife is so sad right now,sadder then i ever seen her and theres not much i can do for her exept share in her grief also and know that in time her broken heart will be restored with the love and mercy of our heavenly father and its in His hands that we rest our weary hearts tonight . We find such comfort in realizing that our Lord God has blessed our sister Denice with a life long companion i only know as georgia .Georgia,has no doubt pleased our Heavenly Father by doing His will and good deeds with a life time of giveing , shareing, loving and being the devoted care giver that she was to one of Gods very,very speacle children.Georgia , reinforces my belief that angels walk amongst us.to you Denise , the sister in law i never met . it was truly a loss for us to have not known you .you look so much like your sister lisa . like her i can tell your smile also lit up the room . i was amased at your pictures . our hearts weep this day . love always , robert
