“ I'm going to miss Dennis more than I can say! I only knew him for about two years, but in those two years we became close. Dennis was like a father to me and my life isn't going to be the same without him!

“ Sad to hear this about a fellow 1984 class member, my condolences to the family. I do have some memories of funny moments during classes and shop times at E C Goodwin that Dennis did some of the days that seemed boring, certainly lighted up the day.

“ I don't know what to write other than the fact that I'll miss Dennis. I think back to growing up with him and his family and all the rest of the Kleszczs and all that they did for me making me part of the family - words alone can't be thanks enough. We all had alot of fun and Dennis was very much a part of many of the adventures. I'll miss Dennis but I'll never forget him.

“ I worked with Suzie at CREC, and will always consider her to be a friend. Every morning she would have a story about one of her children, which always made me laugh. Even though I did not have the opportunity to meet Dennis, I feel as if I knew him from these stories. My heart goes out to the Kleszcz family. You are all in my thoughts and prayers.

“ My good friend Susie's oldest son passed away. I feel so sad. When you know someone well and you know their families, it's like a part of your own family is gone. I married Dennis and Helene, and it was such a happy time to be part of their lives. My heart goes out to you all. Love, Gladys

“ Oct. 19, 2004...My father called me this afternoon and asked if I got the Hartford Courant. I said, "No, why?" Dennis Kleszcz died this weekend. The first thing that went through my head was when we were kids on Bashan Lake in East Haddam, Dennis fell on my ice skates and cut above his eye pretty bad. I remembered all of the times at the Holiday Inn kitchen in New Britain and J Timothy's in Plainville. I can even remember his phone number when he was a kid. I have not seen him in years, but he was my BEST friend growing up and I always remember he had to spell his last name!

This seems pretty strange, but this marks the death of 3 of my best friends from my childhood. Michael "Moose" Markowitz, Greg Yanchak, and Dennis Kleszcz.

God Speed Dennis...
