“ Dear sweet Don. I've been wondering where you are. Just last week, honest to God as my witness(!) I thought I saw your car at Dunkin.... where we know each other from, and I was SO excited. But it wasn't your car (MOD [and a couple numbers]). I guess you had passed away already, but I could feel your presence, it was so strong. We used to see each other almost every weekday for a few years before COVID. We'd talk about NASCAR (!!!) But when things started opening up again, I think I only saw you about 6 times, and I have always wondered how you were. Peace be with you Don. I will never forget our Dunkin times together. You always brought a smile to my face. ~Love, Jodi 💔
